

# Repair Night

Have you ever wished you could make your belongings last longer? Discover the ability to do so.

## About the event

Together with the repair cafe Young Impact Makers will have an inspiration session to create a more sustainable future. Learn how to repair your belongings together. So bring you broken electronics (such as laptops , printers, phones)! We are looking forward to meeting you at the repair night cafe.

## Details

26 september 19:00 -21:00

Location: Jongeren Lab
